

Great Oaks Weekly

Friday 12th May 2017

MESSAGES IN STORIES

In our termly RE Day on Tuesday classes looked at the messages contained in different stories. They heard stories from different cultures and religions from Aboriginal to Sikh and Hindu as well as stories from the Bible.

Pupils in some classes re-enacted a few of these stories such as the man who built his house on the sand and the farmer who sowed his seeds on good and bad soil.

If you like a good story with a great message come along to Film Club this Saturday 10.00 - 12.00 where we will be showing Moana. Friends and families welcome. Free tea, coffee, cold drinks and popcorn

ASDAN ART EXHIBITION

Last Friday (5th) 11L's Asdan group curated their own art exhibition. They researched art work in books and at a gallery, chose their favourite artist and reproduced their work. This was displayed outside, and the group hosted an exhibition - explaining their work and handing around drinks and nibbles. Well done to Maahir, Ryan, Michael, Charlie and Raja.

8P WATER PARK VISIT

On Monday, 8P visited Boscombe Chine Gardens, where they explored the force of water using a variety of pumps, dams, channels and wheels. It was real good fun as well as educational, and somehow no-one got wet!

THANK YOU TESCO

A really big thank you to Tesco in Lordshill who provided all the food for our 10th Anniversary Party and reunion last week. It helped to ensure a great day (see last week's newsletter for reports).

DANCE FESTIVAL

7B, 8P and pupils from Post 16 joined lots of other schools on Thursday at a Dance Festival at the Mountbatten School in Portsmouth. They had a great day learning lots of new dances - to be performed in Assembly to the school next week.!

SOUTHAMPTON MARCH FOR SCHOOLS!
