Great Oaks Election Results Declared

Well done to our 5 student Council members - Guy, Zak, Alex, Kirsty and Harvey who put themselves forward as candidates in the Great Oaks General Election to take over from Mr Evans and run the school for the day.

Last Thursday everyone in the school was able to vote in a secret ballot for their favourite candidate based on the manifestos that they were putting forward. Like the real General Election the rest was incredibly close and all candidates polled over 20 votes each. However there has to be a winner and by a majority of just 2 Guy Betteridge in 10W was elected on his manifesto of Bouncy Castles, whole school singing sessions and longer breaks. In his acceptance speech Guy thanked everyone for voting for him and said that he couldn't believe that he had won.

Guy will be taking over the school for a day during Arts week at the end of term, he is especially looking forward to sitting in Mr Evans' chair and doing the raffle!

Healthy Living Fortnight

This week and next are Healthy Living weeks at Great Oaks and this week we have been focussing on fitness.

Launched in Assembly on Monday pupils and staff are taking part in a distance challenge. Using the fitness equipment in the school gym we are seeing which class can travel the furthest in one hour and how far we can travel as a school over the week. Results will be published next week and we will be viewing a webcam in Assembly of the country that they reached.

Next week we will be looking at Healthy Eating.

Dates and Coming up

5th - 16th June
Year 11 Work
Experience

Friday 23rd June
Parents / Carers
Coffee Morning

Friday 30th June Year
11 Leavers Assembly
for all pupils and
parents in Year 11

And family BBQ
(see page 2)

17th - 21st July
Arts Week

Monday 24th July
Sports Day

Tuesday 25th July
End of Term

KIDS DAY OUT AT MARWELL

Pupils in Year 7 and 8 had a fantastic day out at Marwell Zoo on Wednesday all thanks to the Rotary Club. As well as seeing animals from Penguins to Giraffes they visited the education centre to find out more out the habitats the animals live in in the wild. The whole trip including lunches, transport and admission costs is funded by the Rotary club - so a massive thank you to them.
