Jo

We are so excited that you are joining Great Oaks College at Southampton City Farm.

We want you to be happy, healthy and safe with us and to have fun learning!

When you see this picture there is a task for you to complete.

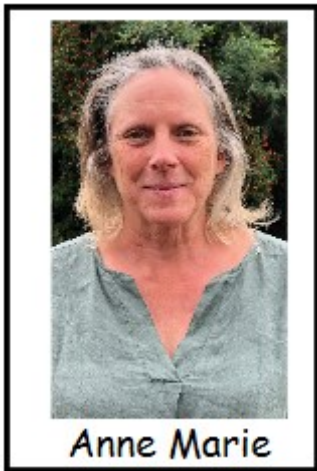

The Teachers and Students have made you a booklet of all the things they wished they knew before they started.

This is my office. It is in the Lodge. It's not always this tidy! Come and say hello when you visit.
