

Great Oaks Weekly

Friday 24th May 2024

Our changing world – STEM week special

It's been our Science, Technology, Engineering and Maths week this week and our focus has been on our Changing World. As well as looking at the effect of human caused climate change on our world and what we can do to halt it, we also studied natural phenomena such as earthquakes and Volcanos. There were lots of eruptions and explosions going on throughout the week. Many thanks to Mrs Henty and the STEM team for organising the fascinating week.

Book Donation

Many thanks to Amazon who have donated loads of new books to the school. There are a whole range of books on all sorts of subject including a great range of age-appropriate picture books. They were all hidden in classrooms on Wednesday and pupils had to search for them in a special zoom assembly. Our visitors from Amazon then had a tour of the school to see classes reading them.

Coming up this term

Events families are invited to highlighted.
